

Texas Association of Broadcasters

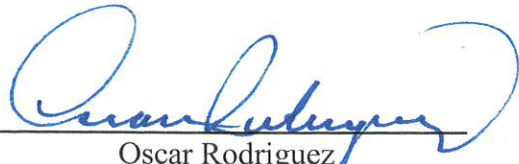

Alternative Broadcast Inspection Program Certificate of Compliance

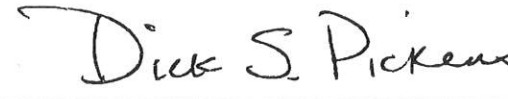

KEYE-TV Austin

has voluntarily participated in the Alternative Broadcast Inspection Program, a cooperative program of the Texas Association of Broadcasters and the Federal Communications Commission. Through this program, the station has successfully undergone a complete Enforcement Bureau-type inspection by an FCC-approved inspector, has been found to be in full compliance with FCC regulations and is hereby granted immunity from routine FCC inspections for a period of three years from this date.

This Certificate of Compliance is issued November 22, 2019.
